MARKINGS

The enclosure shall be marked in a permanent and visible manner with the following information:

- CSA mark
- Submitter's name, registered trademark, tradename, other recognized symbol or identification.
- Electrical rating (Switch)
- Model number
- Serial number or date code

Note - Jurisdictions in Canada may require these markings to also be provided in French language. It is the responsibility of the manufacturer to provide bilingual marking, where applicable, in accordance with the requirements of the Provincial Regulatory Authorities. It is the responsibility of the manufacturer to determine this requirement and have bilingual wording added to the "Markings".
